About FLOW Follies

Since 1986, FLOW Follies has been a unique example of volunteerism in the FLOW communities of Franklin Lakes, Oakland, and Wyckoff. A parent-led volunteer non-profit organization that brings people together from three towns for a common goal: to raise scholarship funds for graduating seniors of the Ramapo Indian Hills Regional High School District.

Success is made possible by the dedication of parents who generously contribute their time and talents to the writing, creation, production, and performance of an original musical-comedy...and we have a lot of fun in the process!

FLOW Follies has distributed over \$500K to RIH graduating seniors making us the single largest scholarship fundraiser for our two high schools.

FLOW Follies is pleased to announce that in 2014 a segment of our scholarship funds will be given to our students based on financial need.

Welcome New Friends:

Over the years, FLOW Follies has become the largest provider of scholarships to RIH graduates. We are the only parent-led volunteer organization that brings the communities of Franklin Lakes, Oakland, and Wyckoff together for a common goal—and we have a lot of fun in the process! You will meet new people, make new friends, and gain lasting memories as we put together the production and fundraising events.

We give everyone opportunities to act, dance, sing, or help behind the scenes. However, we expect all volunteers to participate in our fundraising activities. After all, our ULTIMATE objective is to put on a great show whose net proceeds are scholarship funds for graduating seniors of the Ramapo Indian Hills High School District and community. Each year we plan new and exciting ideas for the show!

FLOW Follies Producers announced a segment of our scholarships will be awarded based on financial need in 2014.

NOW—SIGN—UP and HAVE SOME FUN!

Top "5" Misconceptions about FLOW Follies

(with apologies to David Letterman)

5. FLOW FOLLIES IS A PARENT TALENT SHOW

Since 1986, no member of FLOW Follies has been nominated for a Tony award. This is not Broadway, Off-Broadway, or even Community Theatre. This is a FUNDRAISING activity with the emphasis on fun. Whether you took dance lessons as a kid or were born with two left feet, can sing on key or off, there's a place for you. Our goal in putting together this annual performance is to raise scholarship monies for our graduating seniors.

4. YOU WON'T SEE ME ON STAGE! THERE'S NO PLACE FOR ME

Can you sell tickets? Put up posters? Visit some local businesses to sell space in our ad journal? Do you like to work with a hammer or get creative with a paint brush? Perhaps you like to write, do publicity or talk at your local PTO meetings about the District's most successful fundraising event? Any way you slice it, there's a place for you in FLOW Follies.

3. KIDS IN THE FLOW DISTRICT DON'T NEED MONEY

Not so! We are living in uncertain financial times. No one is immune. Some of our FLOW families will have two or three children in college at the same time. Since 1986 we awarded scholarships to RIH graduates in increments of \$750. Beginning in 2014, a segment of our scholarships will be awarded based on financial need.

2. SOUNDS LIKE A LOT OF WORK

Nope, it's a lot of FUN! Just ask anyone who has been a part of a FLOW Follies production in the past and they will tell you what a terrific time they had being involved in such a worthwhile fundraising endeavor. Even if you'd prefer to sing in the shower than on a stage, you will have a blast getting to know some wonderful people who choose to spread their after-work time with FLOW Follies. Whatever you can give will make a contribution to our kids.

1. I MUST HAVE SOMEONE IN HIGH SCHOOL TO PARTICIPATE

Not true! Whether your son is in kindergarten or your daughter is in college, as long as you reside in the FLOW District (Franklin Lakes, Oakland, or Wyckoff), you can be a Friend of FLOW Follies. We have parents that have been participating in one way or another for years; whether donating a raffle basket, being a part of a dance number, hamming it up on stage, helping develop the script or placing an ad in our journal.
